Covid 19

We are pleased to have these chances to get together face to face but we will be following Social Distancing guidelines to keep everyone safe as levels of Covid are still high.

All members are asked to wear masks when entering and leaving the building. Our meetings will be shorter than before. (7pm to 9pm). We will need preparation and cleaning time so **please do not arrive early** and please leave promptly. **If you are showing any symptoms or have recently been in contact with anyone who has Covid 19 please do not come as we have several members who are vulnerable.**
